MINISTRY EXPERIENCE

Very important! Please read all information carefully. This section is designed to assist the Wagner Leadership Institute in assigning you to the appropriate diploma level and awarding *advanced standing*, should that apply. Advanced standing may be awarded based upon ministry experience as described in this application form. It will help reduce the number of training units required to complete a diploma. Keep in mind that since WLI is not an academic institution, a secular degree does not confer status. For example, a year of Bible school would give more advanced standing than a Ph.D. in Engineering. (If more room is needed, please attach separate sheets).
